Lovely home at the end of a cul-de-sac in Mission Shores has breathtaking views of the pool, lakefront and mountains beyond. The courtyard leads you into this 4 bedrooms 4.5 bath plus office home. Two of the bedrooms have separate entrances so guests can have their privacy. The living/dining room is a large space that can be used in multiple ways. The kitchen and great room have built-ins, loads of cabinet space, granite counters, a wet bar and expansive windows that take in the view of the lake and mountains. Outside you will find an outdoor kitchen and dining area on the water plus, an outdoor misty system and a salt water lap pool with a key pad controlled automatic pool cover - plus a spa. The HOA dues include a social membership to Mission Hills CC as well as maintenance of front yard landscaping and back yard common areas. Additionally, this property offers home-owned [not leased] solar panels. Conveniently located in beautiful Rancho Mirage.
